Eco Indicators **HEAT**™

Heat Activated Color Changing Platform

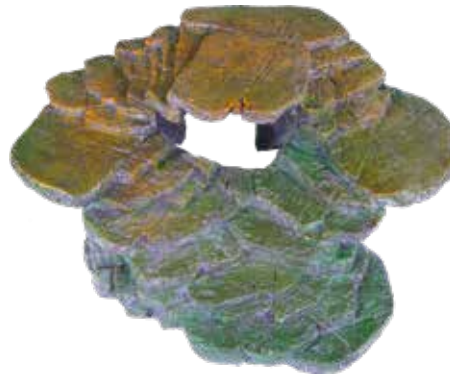

Observation:

Eco Indicators™ by Reptology™ allow you to effortlessly monitor the environmental conditions in your terrarium with cutting-edge color-changing technology. Use **Eco Indicators HEAT**™ to observe temperature fluctuations throughout your terrarium.

Thermoregulation:

Reptiles are ectothermic, meaning they rely on external sources to self-regulate their body temperature. To ensure proper thermoregulation, place multiple **Eco Indicators**™ in various temperature zones of your terrarium.
